

ACCREDITATION VERBIAGE REQUIREMENTS

Title of Activity-IBD from Head to Toe: Understanding Extraintestinal and Associated Conditions

Date and Location of Activity – Sept 19, 2026, Westin Westminster Hotel, 10600 Westminster Blvd, Westminster, CO 80020

Partnership Statement

This activity is jointly provided by Your CE Source and Gastroenterology of the Rockies.

Educational Objectives

After completing this activity, the participant should be better able to:

- Discuss evidence-based practice recommendations for the pharmacological treatment of CIC in adults.
- State practice updates and define key modalities in the diagnosis and monitoring of celiac disease (CD) in adults.
- Describe EIMs of IBD including hematologic, cardiovascular, and respiratory disease; hepatobiliary manifestations; bone and joint disease; skin disease; ocular manifestations; central nervous system manifestations; fatigue; and endocrine manifestations

Faculty / Content Developers

Dr. Joshua Steinberg, Gastroenterologist, Gastroenterology of the Rockies

Program Agenda

Here's a link to the [program agenda](#) page.

Physician Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Your CE Source and Gastroenterology of the Rockies. Your CE Source is accredited by the ACCME to provide continuing medical education for physicians.

Your CE Source designates this live activity for a maximum of 6 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6 MOC points in the

American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Nursing Accreditation Statement

Your CE Source is an approved provider of continuing nursing education by the California Board of Registered Nursing. Provider approved by California Board of Registered Nursing, Provider #16031 for 6 contact hours.

Disclosure Statement

Your CE Source ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, Your CE Source identifies relevant financial relationships with its instructors, planners, content managers, and other individuals who are in a position to control the content of an activity.

The following *faculty, planner and/or content manager* reported the following financial relationship with ineligible companies whose products or services may be mentioned in this CE activity:

<i>Name of Individual</i>	<i>Reported Financial Relationship</i>
<i>Joshua Steinberg, MD</i>	<i>Speakers Bureau – Abbvie, BMS, Takeda, J&J, Eli Lilly Consultant – BMS, J&J Abbvie, Pfizer, Celltrion, GISTMD, Evinature</i>

All other faculty, planner and/or content managers have nothing to disclose nor do they have any vested interests or affiliations. All conflicts of interest have been mitigated.

Artificial intelligence (AI) was not used in the creation or development of educational content. The presentation was organized, overseen and reviewed by a human.

Disclaimer Statement

The content, views and opinions presented in this educational activity are those of the faculty/authors and do not necessarily reflect those of Your CE Source and/or Gastroenterology of the Rockies. The faculty/authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.
